

# Help us give the Gift of Hearing

## Nomination form

Hearing loss affects 1 in 8 of us. That means we all likely know someone who is having some trouble hearing. To help, we are joining hearing care professionals nationwide to help individuals in our community by donating a set of ReSound hearing aids to those who cannot afford them.

**If you know someone who could benefit from better hearing, please nominate them for a free set of ReSound hearing aids using the form below.**
